Dear Colleagues,

The Tata Memorial Hospital Library is organizing a three day seminar on "**Knowledge Resource Management (KRM)-2010: Information resources, Services and Practices**" on 29<sup>th</sup>, 30<sup>th</sup> Sep and 01<sup>st</sup> Oct in association of Health Science Library Association of India.

KRM-2010, a third in the series, aims at furthering Professional Knowledge about the new e - resources, formats, acquisitions models, and their management ex. Consortia. To discuss the technological applications, administrative and legal issues in order to bridge the gap between what users expect and what they are served.

The seminar would comprise of paper presentations, invited lectures, sessions of panel discussion to enable interaction, and allow sharing of experiences.

**Theme: Knowledge Resource Management (KRM)-2010: Information resources, Services and Practices**

Coverage: E- resources management in general, Publisher driven Technology networks Libraries driven consortia, Cultural driven consortia, Rights management of consortia resource, Publishers point of view, Users perspective, Tools and technology solutions for consortium management

**Date:** 29<sup>th</sup>, 30<sup>th</sup> Sep and 01<sup>st</sup> Oct.

**Venue:** Lecture Hall, Tata Memorial Hospital, Mumbai.

**Audience:** Librarians and Knowledge Managers from all types of libraries, Medical informatics, Technologists and End Users.
